Dad's Lunch Box (2017)

Drama/Family (Audio: Japanese / Subtitles: English)

This film was inspired by a real-life story of a Japanese father who for the three years his daughter spent at high school prepared daily bento lunch boxes for her leading to delicious, interesting or offbeat creations. In all cases, he put an effort into equipping his daughter with sustenance for school.

Bento Harassment (2019)

Comedy (Audio: Japanese / Subtitles: English)

Wishing to open up another line of communication with her rebellious teenage daughter, in the name of light-hearted revenge, single mother Kiori begins creating embarrassingly sweet messages in her child's lunchbox meals. Will it work?
